# *Black Health Care Careers Expo*

*Friday, November 3, 2023, 9:30AM - 1:30PM*

The UNM Health Sciences Center (HSC) is pleased to announce the Black Healthcare Careers Expo in Fall 2023. The Health Careers Expo is designed to develop and assist Black/African American high school students in navigating available UNM programs and prep resources and provide students with early exposure to health sciences career tracks. The one-day in-person free program will consist of:

- **Networking opportunities with health professions students**
- **Campus resources meet and greets**
- **Sessions from UNM Health Sciences academic programs**
- **Presentations from health professionals**
- **Hands-on experiences related to health careers**
