Citrix Workspace for Apple is supported on macOS versions 10.13, 10.14 and 10.15.

Use this link to download Citrix Workspace:
https://www.citrix.com/downloads/workspace-app/legacy-receiver-for-mac/workspace-app-for-mac-1912.html

While on your home wireless network and not on VPN:

1. Click **Install Citrix Workspace**.
2. Follow the installation prompts, select **Add Account** and click **Continue**.
3. In the server address field, enter https://citrixweb.health.unm.edu and then click **Add**.
4. Enter HSC NetID username/password, then click **Log On**.
5. Select **UNMH Citrix Apps**, then click **Select**.
6. Depending on your access level, the clinical Applications will populate in your Workspace.

Note: Once Citrix Workspace is installed, there are two ways to access the Applications remotely.

- From the Mac Launchpad click Citrix Workspace

  OR,

- Enter URL https://citrixweb.health.unm.edu in a web browser (e.g., Chrome).
